

VANILLA OVAL WAFERS

Pâtisserie du Monde: Vanilla Oval Wafers

The French use the expression “donner sa langue au chat” which is, in English, the equivalent of “cat got your tongue.” The French name Langues de Chat alludes to the certainty that these cookies will leave you speechless. What’s the matter? Cat got your tongue? Also, its hint of Vanilla and its shape make Oval Wafers a very flexible item—often served by itself, with ice cream, coffee, tea, or accompanying a dessert plate.

- Thin, rich, crisp texture
- No high fructose corn syrup
- No hydrogenated oils, no trans fat
- No cholesterol
- Flexible item—often served by itself, with ice cream, coffee, tea, or accompanying a dessert plate.
- Baked in France
