- OU Kosher Certified
- Non GMO Verified
- Available in fine or coarse

Our dazzling snow white sea salt originates in the Sea, where crystal clear waters ebb and flow through an environmentally preserved coastal region.

Here, the pure sunshine and gentle winds evaporate the sea water, leaving behind premium Natural Tides Sea Salt. Traditionally harvested for centuries, the salt is unrefined and unbleached.

Truly a treasure of the sea, these fine crystals enhance any dish with their subtle flavor and delicate crunch. Whether used as an ingredient or as a delightful garnish, Natural Tides Sea Salt adds clean, refined flavor to salads, meats, fish & vegetables.
